

eMazzanti Technologies Improves Ranking Among Top MSP's Worldwide

eMazzanti moves up 31 spots to 160th in the 2015 MSPmentor annual global ranking of the world's top 501 managed services providers

Hoboken, NJ -- (Vocus) March 27, 2015 – eMazzanti Technologies, a NYC area IT consultant, improved its ranking on Penton Technology's MSPmentor list that identifies the world's top managed services providers (MSPs).

According to MSPmentor's March 26 announcement, eMazzanti Technologies moved up 31 spots from their 2014 ranking to 160th on the 2015 MSPmentor 501 Global Edition, an annual ranking of the world's top 501 managed services providers across the globe.

"With the digital transformation in business, companies are finding that outsourcing their IT makes them more competitive," said Jennifer Mazzanti, President, eMazzanti Technologies, "eMazzanti's improved ranking on the MSPmentor list shows a strong commitment to our customers' success."

With the digital transformation in business, companies are finding that their IT outsourcing their IT makes them more competitive

The MSPmentor 501 Global Edition is based on data from MSPmentor's global online survey, conducted October-December 2014. The MSPmentor 501 report recognizes top managed service providers based on a range of metrics, including annual managed services revenue growth, revenue per employee, managed services offered and customer devices managed.

"We want to congratulate eMazzanti Technologies and look forward to covering their growth strategies in the year ahead," said Marcia Parker, Executive Director, Penton Technology Group.

This year the top MSPmentor 501 companies recorded higher recurring revenues than ever before. Combined, the total annual recurring revenues for all of MSPmentor 501 2015 companies reached a record high of \$3.95 billion in 2014, up 26.5 percent year-over-year.
