

eMazzanti Technologies Ranked 15th Among Top 100 Vertical Market MSPs

NYC area MSP ranked highest in retail category on ChannelE2E list honoring top MSPs in retail, healthcare, financial services, legal and more

Hoboken, NJ (Cision) June 21, 2016 – eMazzanti Technologies, a New York City area IT consultant and managed services provider, has been ranked 15th on After Nines Inc.'s ChannelE2E Top 100 Vertical Market MSPs [list and research](#). The list and research identify and honor the top 100 managed services providers (MSPs) in retail, healthcare, financial services, legal and additional vertical markets.

The Top 100 Vertical Market MSPs rankings are based on ChannelE2E's Q1 2016 readership survey. MSPs featured throughout the list and research leverage deep vertical market expertise to drive annual recurring revenues (ARR) in specific market segments.

"We love our retailer customers and they love us," stated Jennifer Mazzanti, President, eMazzanti Technologies. "We devote all of our energies to building those relationships. Providing outstanding customer service to shoppers and revenue growth for retailers is our top priority."

"After Nines Inc. congratulates eMazzanti Technologies on its vertical market momentum," said Amy Katz, CEO of After Nines Inc. "As traditional IT services commoditize, ChannelE2E readers are developing new services for specific vertical markets that unlock new, higher-margin revenue opportunities."

First in Retail

In addition to ranking 15th on the overall MSP list, eMazzanti Technologies is the highest ranked MSP in the retail vertical category. eMazzanti delivers a comprehensive lineup of [retail payment technology](#), merchant services, [PCI compliance](#), POS infrastructure, and network security backed by proactive 24/7 monitoring and hyper-responsive technical support.
