

## eMazzanti Technologies to Show Legal IT Security Solutions at Legaltech 2018 New York

*NYC area legal IT consultant to offer cloud migration, Legal IT security solutions and application support at largest legal technology event of the year*

Hoboken, New Jersey -- (Cision) January 25, 2018 – eMazzanti Technologies, a New York City area IT consultant and legal IT security expert, announced today that it will be attending and exhibiting at Legaltech 2018, part of Legalweek New York. The legal industry technology conference will be held at the New York Hilton Midtown, January 30 - February 1, 2018.

Law firms seeking enhanced data security, migration of core legal line-of-business applications to the cloud and application support can arrange to meet the company's [legal IT security](#) consultants at the event. Interested parties should call 866-362-9926.

**Legaltech**<sup>®</sup>

"Legal IT security is on everyone's mind," stated Jennifer Mazzanti, CEO, eMazzanti Technologies. "Law firms want to ensure that critical client and practice data is protected with the best security technology available."

eMazzanti's Legal IT experts can be found in booth #225 of the Legaltech exhibit hall located on the second floor of the hotel convention center. The New York Hilton Midtown is located at 1335 Avenue of the Americas, New York, New York.

Legaltech exhibit floor hours will be 10:30 am – 6:00 pm, Tuesday, January 30; 10:00 am – 6:00 pm, Wednesday, January 31; and 10:00 am – 2:15 pm, Thursday, February 1.

## **Legal IT Security and Cloud Services**

eMazzanti's [Legal Managed IT](#) experts ensure secure, remote access to data, network security 24/7, eDiscovery data encryption and automated business continuity processes, as well as providing secure system integration for time management, billing, litigation and document management software.

The company offers fast and secure line-of-business application migration to the cloud and migration to Office 365 with minimal impact on internal users and customers. Pre-migration assessments identify the firm's transition requirements and ensure systems compatibility to avoid business interruption.

- Pre-migration Assessments
- Migration of core legal line of business applications to the cloud
- Office 365 Migration
- Legal application support
- Legal IT Managed Services

As legal [Office 365 experts](#), eMazzanti Technologies provides proven Office 365 solutions to ensure confidentiality, security and compliance while sharing sensitive information with clients, teams and colleagues anytime and anywhere.

Legaltech events provide hands-on opportunities for legal professionals to evaluate rapidly changing technologies with the potential to transform their practice. Hundreds of exhibitors presenting legal technology products and services appeal to professionals nationwide.
