

## eMazzanti Technologies Ranked First in Retail on ChannelE2E Top 100 Vertical Market MSPs List

*NYC area IT Consultant is the top ranked end-to-end retail technology solution provider honored in the ChannelE2E list of the Top 100 Vertical MSPs, 2020 Edition*

Hoboken, NJ (Cision) June 4, 2020 – eMazzanti Technologies, a New York City area [retail IT consultant](#) and managed services provider (MSP), has been named to After Nines Inc.'s ChannelE2E Top 100 Vertical Market MSPs list and research for 2020. The company is the top ranked end-to-end retail technology solution provider honored on the 2020 list and ranked 28<sup>th</sup> of all vertical market MSPs.

The annual list and research (#Top100MSP) identify and honor the top 100 managed services providers (MSPs) in retail, healthcare, legal, government, manufacturing, and additional vertical markets. The MSP rankings are based on ChannelE2E's Q4 2019 and January 2020 readership survey and ChannelE2E's vertical market industry coverage. MSPs featured throughout the list and research leverage deep vertical market expertise to drive annual recurring revenues (ARR) in specific market segments.

### Comprehensive Retail Technology

With merchant services, POS and mobile POS systems, retail technology infrastructure and support, eMazzanti offers a [complete retail POS package](#) available from a single vendor. With offerings that include PCI compliance verification, network management, in-store secure Wi-Fi and secure email, as well as cloud productivity solutions, eMazzanti specializes in the retail sector.

"eMazzanti is an end-to-end retail technology solution provider," stated Jennifer Mazzanti, CEO, eMazzanti Technologies. "Merchants have just one call to make for assistance with their POS, payment processing, wireless, data security or network technology."

"After Nines Inc. congratulates eMazzanti Technologies on this honor," said Amy Katz, CEO of After Nines Inc. "Vertical market MSPs are uniquely positioned to assist their customers with automation, cybersecurity, e-commerce and business recovery services during this challenging time for the global economy."

### First in Retail

In addition to ranking 28<sup>th</sup> on the overall MSP list, eMazzanti Technologies is the highest ranked MSP in the retail vertical category with a complete retail technology solution. eMazzanti delivers a comprehensive lineup of [retail payment technology](#), PCI compliance, merchant services, [POS infrastructure](#), and network security backed by proactive 24/7 monitoring and hyper-responsive technical support.
