

eMazzanti Named One of the Best B2B Service Providers Globally!

Determining which [IT managed services](#) company to select for your [retail](#), legal, [manufacturing](#), distribution, or [local government](#) organization can be challenging. Fortunately, Clutch has done much of the work for you. They conducted a thorough assessment and identified the best B2B service providers in the world.

Important news for small and mid-sized businesses, eMazzanti Technologies was just named to the Clutch 1000, the third annual ranking of the best B2B service providers globally. The Clutch 1000 is the most exclusive award offered by the platform!

The Clutch 1000 is a trusted resource for business leaders to find and qualify top B2B companies with a proven ability to deliver quality work.

The Clutch 1000 features the companies that have earned the highest **Ability to Deliver** scores on Clutch. A company's Ability to Deliver score considers the following 4 criteria:

- Recency, number, and quality of verified reviews published on Clutch
- Services offered and experience providing those services
- Brand reputation and visibility in the company's target market
- Types of clients

All companies listed on the 2020 Clutch Global 1000 provide expert B2B services with a team of professionals and have a significant website and social media presence. They come from 35 countries and 374 different cities around the world.

Find the Best B2B Service Providers

About 50% of businesses rely on third-party, online review sites to monitor brand reputation. Hence, a list of the top companies with verified reviews enables prospective clients to select quality vendors more easily.

Thus, Clutch solves a two-sided problem:

- How do buyers of business services find reliable, high-quality sellers of business services that meet their budget, location, and project needs?
- How do sellers of business services connect with potential buyers to grow their business?

Buyers more readily trust the business services and products of companies with profiles on Clutch. In addition, sellers build brand equity and highlight their expertise by showcasing reviews, case studies, and services offered.

Business leaders search Clutch listings for companies that provide the services they need, including:

- IT Services
- Digital Marketing and Advertising
- Development
- Creative and Design
- Business Process Outsourcing

Reviews You Can Trust

To generate its trusted B2B vendor reviews, Clutch analysts interview our clients over the phone. This ensures that all reviews are verified, comprehensive, and unbiased. They ask clients about their experience working with eMazzanti throughout the partnership.

After transcribing and editing the conversation, they publish the review to our Clutch company profile. Clutch analysts are trained to be neutral while conducting interviews to ensure all reviews are thorough, verified, and accurate.

What sets Clutch apart is their commitment to verifying and weeding out bias in the reviews that are left for each company. Clutch provides only top-quality, reliable information about each of the 10,000+ companies listed on their site.

Thus, Clutch is trustworthy, an attribute unmatched by any other B2B reviews platform.

Because Clutch Analysts personally interview our clients to collect reviews, all reviews are verified. Buyers can trust that each company featured on Clutch is real and the best vendor for their needs.
