Recordings of all 24 sessions from the hallmark event are now available on-demand with just a few clicks.

More about [eMazzanti Technologies 20 Years of Learning](#).

This exciting event highlighted what experts at eMazzanti Technologies do every day—help business customers be the best they can be with technology. Recordings of the day-long event feature several executive briefing sessions along with eMazzanti's unique Hands-on Immersion Workshops. All sessions are available via replay on demand.

### **20 Years of Learning Replay**

Replays of this virtual event allow attendees to register for the entire day or only a few sessions of their choice. Time is valuable and eMazzanti seeks to help business leaders maximize their learning with eMazzanti. The company also wants to say thanks for 20 years of support.

Presenters and workshop leaders include Corey Nachreiner, Chief Security Officer at WatchGuard Technologies, Marc Laliberte, Technical Security Operations Manager at WatchGuard Technologies, Carl Mazzanti, President and Co-founder at eMazzanti Technologies, and other business IT experts.

[Register Now](#) to view valuable business IT content on your own time as eMazzanti's Guest at 20 Years of Learning Replay Sessions. Registrants may pick and choose from any of the 24 sessions across all tracks. Sessions last from 30 to 90 minutes each.

## **Cloud, Cyber Security and Business IT Topics Covered**

The 20 Years of Learning Replay sessions include four day-long tracks—Cloud Services, Cyber Security, Executive, and Enhance Your Business—that cover a broad spectrum of business IT concerns. Topics range from Cloud Automation and Hacker Techniques to Staff Effectiveness with the New Hybrid Workforce and Contact Management in Excel vs Dynamics 365.

The Cloud Services Track includes Hands On Immersion Workshops for Microsoft Teams and Microsoft Azure & Cloud Backup. An Immersion Workshop is a facilitated hands-on session that allows participants to test-drive Microsoft devices and solutions through simulated, everyday business scenarios. During Immersion sessions, skilled facilitators walk participants through scenarios using the latest Microsoft online services.

## **Partner with Business Technology and Cyber Security Experts**

For 20 years, eMazzanti Technologies has helped business leaders navigate the [technology and cyber security landscape](#) to grow revenues and protect business assets. With a new paradigm in business IT, eMazzanti encourages firms to update their technology and cyber security strategies to be prepared.
