

eMazzanti Technologies Ranked One of World's Best Managed Service Providers

Annual Channel Futures MSP 501 global ranking identifies industry's best-in-class businesses on Tech Industry's most prestigious list of best managed service providers worldwide

Hoboken, NJ -- (Cision) June 22, 2023 – eMazzanti Technologies, a [NYC area MSP and IT consultant](#), today announced that the company has been named as one of the world's best managed service providers in the prestigious 2023 Channel Futures MSP 501 rankings.

For the past 17 years, managed service providers around the globe have submitted applications for inclusion on this prestigious and definitive listing. The Channel Futures MSP 501 survey examines organizational performance based on annual sales, recurring revenue, profit margins, revenue mix, growth, innovation, and supported technologies.

MSPs that qualify for the list must pass a rigorous review conducted by the research team and editors of Channel Futures. It ranks applicants using a unique methodology that weighs financial performance according to long-term health and viability, commitment to recurring revenue and operational efficiency.

MSP 501

Channel Futures on Monday named eMazzanti Technologies to its annual MSP 501 list that ranks the top 501 managed service providers in the world.

"Hybrid workforce security, cloud, and revenue-enhancing managed services make our clients more competitive," said Jennifer Mazzanti, CEO, eMazzanti Technologies. "eMazzanti's ranking on the 2023 MSP 501 reflects our strong commitment to customer success."

Focused on High Levels of Customer Satisfaction

This year's list is one of the most competitive in the survey's history. Winners will be recognized on the Channel Futures website and honored during a special ceremony at the Channel Futures Leadership Summit, Oct. 30-Nov. 2, in Miami, Florida.

Since its inception, the MSP 501 has evolved from a competitive ranking into a vibrant group of innovators focused on high levels of customer satisfaction at small, medium, and large organizations in public and private sectors. Many of their services and technology offerings focus on customer needs in the areas of cloud, security, collaboration, and hybrid work forces.

"The 2023 Channel Futures MSP 501 winners persevered through challenging times to become the highest-performing and most innovative IT providers in the industry today," said Jeff O'Heir, Channel Futures senior news editor and MSP 501 project manager. "The MSP 501 ranking acknowledges the business acumen, best practices, and trusted advice they deliver to customers every day. They deserve the honor."

eMazzanti's Customer-focused Growth
